All extra items will be sent home. Please shop for the supplies that have been listed. Please be specific in your shopping in regard to size, amount, etc. **Please put all items in a large sack and put your child's name on the sack (not on the supplies).** Thank you for your cooperation.

We are looking forward to having your child in the third grade at Attalla Elementary School. Please remember to encourage your child to read and keep math skills sharp during the summer. Don't forget to take advantage of the wonderful summer reading programs that are offered at the local public libraries. All students should come to third grade with mastery of addition and subtraction facts. Please drill these facts over the summer to avoid regression.

Reminder: Parents, when you are shopping for "back to school" clothes, please be mindful of the dress code for the Attalla City School System. (Especially summer tops, shoes, and shorts)
