EMS Out of District Open House/ Orientation

Date: Thursday, May 13th

Time: 4:00

Location: EMS Lunchroom (316 Jones Street Attalla, Alabama 35954)

Etowah Middle School would like to welcome out of district students that are interested in attending our school during the 2021-2022 school year to our annual open house/ orientation on May 13th at 4:00. We hold this event every year because we tend to have students from outside of our school district interested in attending our school each year. Many of the students interested in coming to our school attend feeder schools other than Attalla Elementary (Ivalee, Duck Springs, Mitchell, Highland, ect.) Because of this, we host an opportunity for students and parents to come and visit our school and see what all we have to offer. If you can't attend this meeting you may call Jeff Johnson, EMS Principal, or Gaquila Loveberry, EMS Counselor, at 256-538-9221 and set up a visit at another date and time. Below you will see a list by grade of what we offer to our students both from an academic and extracurricular standpoint.

Grade	Academic	Extra Curricular
